

CALCULATING ACADEMIC STANDING FOR UNDERGRADUATE STUDENTS								
Beginning of semester standing		current semester GPA + credits attempted		end-of-semester cumulative GPA*		previous semesters		resulting end-of-semester academic standing
undergraduate								
good	+	2.0 or higher and 12+ credits attempted	+	not a factor	+	all good standing OR one or more probation	=	good standing
probation	+	2.0 or higher and 12+ credits attempted	+	not a factor	+	not a factor	=	good standing
first semester readmit*	+	2.00 or higher and 12+ credits attempted	+	not a factor	+	not a factor	=	good standing
good	+	1.99 or lower OR <12 credits attempted	+	not a factor	+	all good standing OR one or more probation	=	probation
good	+	1.99 or lower OR <12 credits attempted	+	not a factor	+	probation in two previous semesters	=	dismissal
probation	+	1.999 or lower OR <12 credits attempted	+	not a factor	+	not a factor	=	dismissal
first semester readmit *	+	1.999 or lower OR <12 credits attempted	+	not a factor	+	not a factor	=	individual review of probation status
* following an absence due to academic dismissal								
NOTE: In the case of first semester freshmen with extremely poor academic performance and on the recommendation of the Divisional Dean, the Academic Standing Committee may dismiss even though it is not the second consecutive probation.
