	Lectures and Workshops
2016	"While Drawing: All Spheres are Circles, All Circles are Spheres; All Artists are Scientists, All Scientists are Artists." At Drawing Futures Conference, Bartlett School of Architecture, University College London.
2016	"Design Processes that Merge Drawing and Computing." Najmi Bilgrami Collaborative, Karachi, Pakistan.
2016	"How Drawings Become Architectural Drawings." Indiana University Center for Art+Design. <i>Drawing and the Brain</i> Symposium.
2015	"Methods and Media for Drawing Shapes, Surfaces, and Storms." Maryland Institute College of Art, Department of Architecture Lecture Series
2015	"Remix Architecture, Drawing the Hagerty House Version 1.011." Gallery talk with Robert Sugar at AIA ri exhibit. Providence, RI.
2015	MattersLAB 3, Robots: Real and Imagined, co-instructor of 4-week workshop (With Jeff Landman, Lisa LaCharite-Lostritto, and Kate Cho) Seoul, South Korea
2015	"Drawing as Architecture," Galley conversation with Perry Kulper. Moderated by Beau Johnson. Critical Encounters: Drawing in Architecture Symposium. RISD Museum. Jan Howard and Igor Marjanovic, co-curators of Drawing Ambience exhibition.
2014	tool() Forum, co-organizer of symposium with Joy Ko, exhibitor and moderator of Artisan Toolmaker Session.
2013	"Data Visualization Without Data." World Economic form. WEF+RISD Salon, (Y)our Data
2013	"Computing And Drawing Slowly, Under the Hood." University of Maryland. Gallery Talk
2013	"Designing and Computing: Some Lines Going for a Walk." MIT Department of Architecture, Design and Computation Public Lecture Series.
2012	"The Computer Did it, Revising Conceptions of Authorship Given Pervasive Digital Media." Corcoran College of Art + Design. Shared Voices Series.
2012	"Tracing Computing Culture, Pre-digital to Post-digital." RISD Department of Architecture Lecture Series
2012	"Programming as Design: Creating Drawings, Mediating Human Input and Controlling Machines." Lecture and Workshop at College of Arts and Architecture, Stuckerman Center for Design Computing at Pennsylvania State University.
2011	"Programming Media." NADAAA Inc., Professional Seminar Series
2009	"Being Parametric," Advanced Digital Graphics Studio, open lecture. Corcoran College of Art + Design.
	Publications
2016	"A Collection of Circle-Spheres: A Pre-Digital Post-Digital Convergence." Essay in <i>Drawing Futures</i> book. Edited by Frédéric Migayrou, Laura Allen, and Luke Pearson.
2016	"Computational Hatching." <i>Journal Of Architectural Education</i> . Volume 70 issue 1 March 2016. Edited by Amy Kulper.
2015	"The Value of Randomness in Art and Design." Fast Co. Design. October 15, 2015.
2014	"Drawing Connect Four Strategy." Code Studio Pamphlet Response to Lev Manovich Lecture.
2013	"How to make sure that time, force and flaws don't disappear, despite the computer." The Draftery Draftery Fig. 03 that then disappear in the building of it. Edited by Athanasiou Geolas and Jesen Tanadi.
2013	"Cute Little Drawings." Mole Magazine, Cute Little Things. Issue 1. Waterloo Publishing Group.
2013	Digital Craft and Architectural Geometry. A publication of the Boston Architectural College Educational Committee 2012-2013 Grant. Edited by Carl Lostritto with Contributions by Moa Carlsson and Marie Law Adams.
2012	"The Definition, Necessity, and Potential of Drawing Computation." Dosya 29, <i>Computational Design</i> . Onur Yüce Gün, Editor.
2012	"Rendering Drawing" CLOG: Rendering, August 2012. Kyle May, Editor.
