Dear Students, Faculty and Staff,

The quality of our experiences as visitors or members of the RISD community is affected by how we get to and from, as well as how we move around RISD's urban campus. We want to improve your commuting, parking, and campus circulation experience and you can help us by completing this survey. Your responses will help us understand your travel choices and assist us in developing a comprehensive Transportation Management Plan to help meet your needs while balancing the lively character that makes our campus unique.

Please take approximately 10 minutes of your time to complete this important transportation survey: <https://www.surveymonkey.com/r/RISDTransportationPlan>

In appreciation for your participation, respondents who complete the survey by Wednesday, May 1st will be entered into a random drawing to win a \$20 Visa gift card (total of 5 to be won). If participating, an email address will be required but won't be retained for any other purposes.

To learn more about the plan and the upcoming workshop during the week of May 6th, please check for updates at <https://info.risd.edu/transportation/>

Sincerely,
Dave
