

**Using your
RISD ID
with GET**

This year, to facilitate contactless meal payment in RISD DINING, we will be using a new feature in the GET app - digital RISD ID cards. If you don't already have the GET app you can download it free in the Apple and Android app stores.

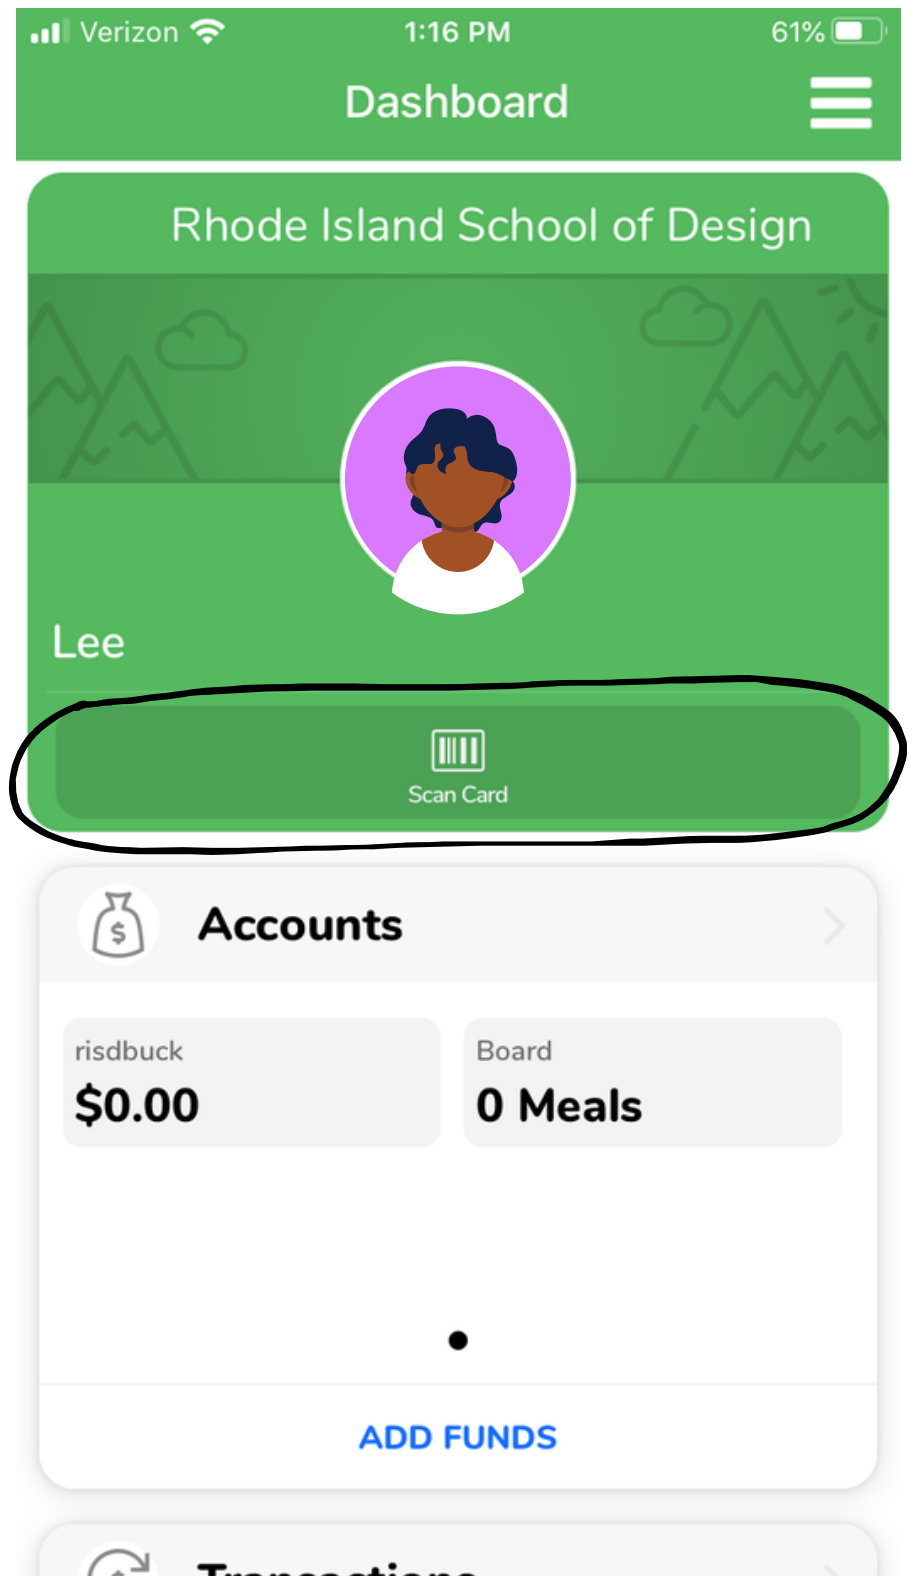

**To get started
select Rhode
Island School
of Design from
the scrolling
menu!**

**Sign in with
your RISD
username and
password.**

A screenshot of a mobile application interface for the Rhode Island School of Design (RISD). The top status bar shows 'App Store', signal strength, Wi-Fi, the time '9:57 AM', and battery level '88%'. Below this is a green header with a back arrow and a 'GET S' logo. The main title 'Rhode Island School of Design' is centered in a grey bar. Below the title are two input fields: 'RISD Username:' and 'Password'. A blue 'Log In' button is positioned to the right of the password field. At the bottom, a standard iOS keyboard is visible with keys for letters, numbers, a globe icon, a microphone icon, a spacebar, and a return key.

Select 'Scan Card' on the dashboard.

**Use your
digital ID to
scan for your
meals!**

**For meal
swipes only.**
