CREATE MISCELLANEOUS PAYMENT REQUEST

Reason to use Miscellaneous Payment Request:
When you need to give a one-time payment to a non RISD employee, or create a reimbursement or nonservice payment to a RISD student. This task is used for non-taxable payments.

Do not use Miscellaneous Payment Request:
Do not use for honorariums, payment for services or any payment that is taxable. You will need to use the Supplier Invoice Request for these payments.

Steps to Create a Miscellaneous Payment Request

1. Enter “Create Miscellaneous Payment Request” at the Search field in Workday.

2. Fill in the Payee and Miscellaneous Payment Request information.

At the Payee field, search for a Miscellaneous Payee. Enter the name of the Miscellaneous Payee. If it is a student, you can enter the student’s RISD 7 digits ID so it will automatically bring you to the student.
**Procurement: Miscellaneous Payment Requests**

**Control Total Amount** - Enter total amount for the entire Miscellaneous Payment request. All line item totals should match this amount.

**Memo** - prints on the check

3. On the **Lines** tab, enter the **item description, spend category, quantity, amount, memo** (for internal use only), **cost center** and any additional financial **Worktags**.

4. 

5. Select the **Attachments** tab and upload any supporting documentation for each item.

![Attachments](image)

6. Select **Submit** and the Miscellaneous Payment Request will be routed through the approval process.

*Note: If you select, Save for Later button, use the My Miscellaneous Payment report to find your request to edit and then submit.*

---

**Note:** If you have more than one item to reimburse, select the **+** to add another line for an additional item.

How to Create Miscellaneous Payee

When use Create Misc. Payee:
When you need to create a miscellaneous payment request for a non RISD employee or RISD student.

Steps to Create a Miscellaneous Payee

1. Search for Create Miscellaneous Payee task or select Create Miscellaneous Payee from the Payee field in Create Miscellaneous Payment Request

2. At the Miscellaneous Payee Name, enter the legal name of the payee. (Name format: First Name Last Name)

3. Single Use Payee - Keep this field checked

4. At the Miscellaneous Payee Category, select Other.
   
   Note: All students will be uploaded as Miscellaneous Payee, you should not need to create a student as a Miscellaneous Payee

5. Go to the Contact Information tab and enter Address information, leave the defaulting response to the Use For fields, and confirm this address is set as Primary address.

6. Select Attachment tab and add attachment if needed.

7. Select Submit. Now you can enter a Miscellaneous Payment Request for this Miscellaneous Payee.
