CHECK OUT INVOLVED.RISD.EDU FOR ALL EVENTS ON CAMPUS!!
During Spring Break, CSI and student Trip Leaders organize a trip to support an organization through service for the week. This is a free trip for students and is application-based!

Trip Leader apps open in fall and Spring Break apps open in December!

To support service and volunteer efforts year-round, CSI and LACE fellows work together to bring monthly service experiences with local partners and organizations.

Leadership and Community Engagement fellowship opens applications this fall! A small cohort of fellows work externally with community partners or internally with CSI’s Service Saturday / MLK Week.
